

May 2017

To whom it may concern:

Shannon Lerie was diagnosed in December 2016 with stage 3 breast cancer. Young mother of two boys and a husband. Since then, Shannon has gone through multiple doctors' appointments, testing, hospital stays, chemo therapy and getting ready for surgeries. Then must go through radiation treatments. Shannon has not been able to work, this has left her and her family with financial hardships including significant medical bills.

Shannon's family and friends will be holding a benefit on July 14, 2017 at the Fraternal Order of Eagles, 920 Trenton Rd., Fairless Hills, PA 19030, in hopes of raising money to offset these expenses. We are asking companies in the area to donate items for basket raffles, gift certificates, food, paper products, toys, etc. This would help the family dearly in conquering this battle.

If you can donate raffle items for baskets or gift certificates or are able to donate food for the day of the benefit please contact Heather Mette at 215-547-1899, Kelly Maroney 267-679-4726, Tracie Hopkin 610-299-2896, Nicole Miles 267-235-3882.

Thank you in advance for your support; The Lerie family greatly appreciates anything you can do. #TEAMSHANNON#KICKCANCERSBUTT
