

**11th Annual  
Jacob Soley Jr. Foundation  
Memorial Benefit**  
SATURDAY OCTOBER 28TH 2017  
8PM-MIDNIGHT

**ALL PROCEEDS BENEFIT NEEDY CHILDREN IN OUR COMMUNITY**

Everyday, somewhere in our community, there is a family with a child who is suffering from severe medical problems. These issues not only affect the children themselves, but put a huge financial burden on the parents. The Jacob Soley Jr. Foundation is founded by tragedy, but built on the promise to help other families with tragedies & sick children. We focus on taking some of the financial burdens off their minds, and allow them to focus on their family. We are asking for donations in memory of Jacob Soley Jr. A vibrant, wonderful 18 month old who passed away suddenly in 2007. The Soley Family wants to forever honor Jacobs memory.
